April 2026 system reports were presented to the board. Steve presented the system report. The system reports are attached as separate documents to these minutes.

No update on AKS. Josh, with Portland Engineering did a great job when he came to the office to work on the main control panel. wells communication and have been out of sync. Portland Engineering is working with Steve P.

Well # 2 disconnect but keep in Scada. Well #2 plug into Well # 9 would erase all the wells history.

Tree's cut down at the Sentosa access lot. BWID will donate at the community day event. Steve asked that all further tree cutting be approved by BWID prior.

Meter reads went well, a bit soggy.

Laurie took chemicals to the Maupin for the chemical dump.

Rob Copher donated 2 flat bed trailers to BWID. Thank you, Rob!

Backflow meter owners will need to get backflow tests.

Laurie and Steve will utilize Facebook as a unilateral resource for information.
